GENERAL EVENT RULES

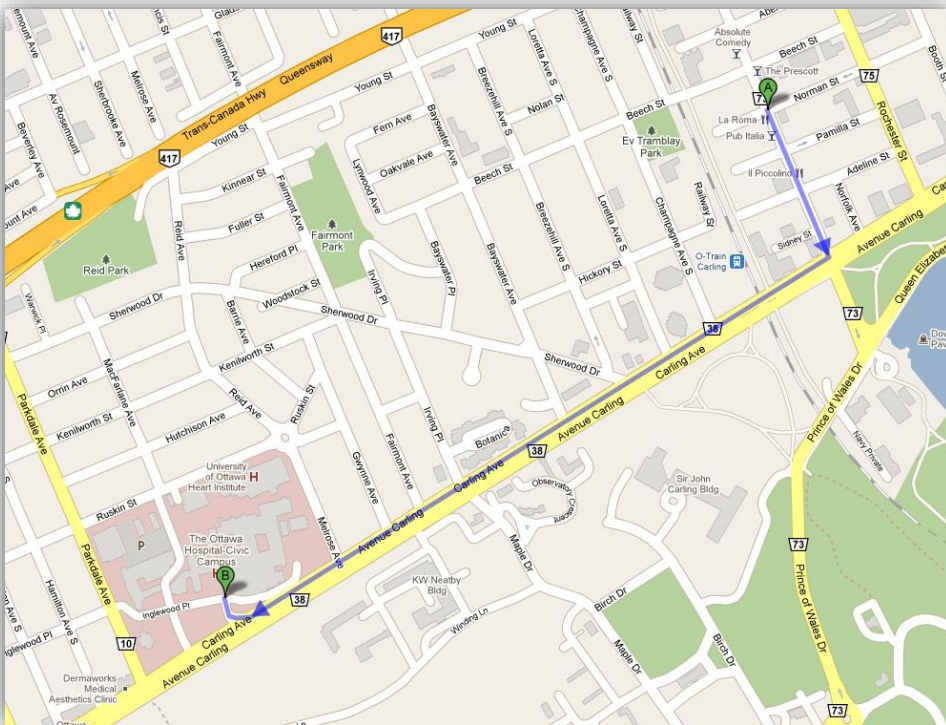

- Racers must start with one foot on the ground. Track stands and/or leaning on railing is prohibited.
- **Any rider dropping out of the race must immediately notify a commissaire.**
- In cases where more than one group is on the course at the same time, riders must remain separate when overtaking or being overtaken by riders from other groups.
- Lapped riders may be pulled at the order of the commissaires, either after being overtaken or just before being overtaken. Otherwise, lapped riders must remain separate, even when being overtaken by riders in their own group.

- It is the riders' responsibility to ensure that their race numbers are readable. Riders whose numbers are unreadable at the finish may not get a placing and may forfeit their prizes.
- Riders will be issued timing chips that must be **affixed to the rider's helmet**.
- Team radios are not permitted.
- All riders within a category will finish on the same lap. Therefore, lapped riders will complete fewer laps than the winner.
- The prize list will be displayed at registration. Additional prizes may be announced on the start line. Awards will be presented during the following race according to the published schedule. Top-3 finishers are required to attend award presentations or risk forfeiting their awards. Riders are expected to wear their competition uniforms for the presentation.
- A free lap may be granted for each mishap. In the case of a recognized mishap (see rule 3.2.021) the rider shall be entitled to a neutralization of one or two laps to be determined by the commissaires according to the length of the circuit. Only the commissaires may determine if the mishap is legitimate. The following shall be considered recognized mishaps: a fall; a puncture; the breakage of an essential part of the bicycle; being held up behind a crash. All other incidents are considered unrecognized incidents. **ALL RIDERS MUST REPORT TO THE WHEEL PIT TO OBTAIN THE FREE LAP.**
- Improperly maintained bicycles resulting in equipment failure is not considered a mishap. Riders suffering mishaps shall head to the designated pit area via any means other than travelling backwards on the course, report to the Race Organizers, and make repairs.
- No free laps will be given in the final 5 laps of the event. This 5 lap distance shall be determined by the position of the leaders.
- Bicycle repairs may be made in the official pit only. Riders are encouraged to bring their own spare wheels to be placed in the pit the start of their race.
- Feeding is not permitted.

COURSE SAFETY
